

**VALFEST**

**February 14 :: Crossroads Church :: Loveland**

On Valentine's Day, dozens of volunteers filled the parking lot at Crossroads Church to spread the love. Despite the cold, they were determined to offer another drive through parade to help ease the drab of COVID-19's realities on families. Every car that drove through saw smiling faces, fun decorations and received a Valentine Box filled with goodies from local Loveland businesses. Thank you to all the community partners who helped make ValFest a success.
